Description

19th Century satinwood Sheraton revival inlaid display cabinet possibly by Edwards&Roberts profusely inlaid all over with floral marquetry, the inlaid broken arch pediment sitting in a moulded edge frieze, with a serpentine shaped single glazed door below opening to reveal two fixed shaped shelves inside, with the inverted sides glazed, the serpentine shaped base having a two door cupboard, the front of the doors as well as the side panels profusely inlaid with various foliage, rams heads and urns, the inlay is of the highest

quality and is in excellent condition, the cabinet supported on square tapering splayed legs unified with a shaped shelf. Circa 1890.
