Description

A fantastic quality 19th Century satinwood and rosewood cabinet, the satinwood banded shaped cornice decorated with a porcelain plaque at the centre, the frieze below also having a porcelain plaque at the centre with lovely quality ormolu beading running along the front and sides, the bookcase glazed at the sides as well as the front, the glazed door decorated with small ormolu beading around the edges, opening to reveal three

shelves inside, the front of the bookcase having two porcelain plaques either side and lovely quality ormolu mounts in the shape of figure heads at the top and shaped ormolu mounts at the bottom, the bottom section profusely decorated with ormolu mounts and beading and having a large porcelain plaque at the centre of the door depicting a scene of a young couple, the door opening to reveal a single lined shelf inside, the cabinet supported on a shaped plinth. Circa 1870.
