Description

A fabulous quality 19th Century French carved oak wall clock, the circular clock dial located at the centre with a decorative carved and moulded edge, surrounding the clock dial is a plaque that is profusely carved with various foliage incorporating a fox's head at the top centre looking down towards the clock dial and two birds p

erched either side looking up at the fox, a very nice wildlife scene. The clock is in excellent condition, lovely c risp carving and in excellent condition. Circa 1880.
