Description

Early Victorian 19th Century mahogany washstand, having a high shaped gallery and fitted with an insert for a wash bowl, the frieze below having fine ebony inlay, with a shelf below with a single oak lined drawer with the original brass turned handles, with fine turned and ring supports. It is displayed with a matching

pink-and-white patterned ceramic toilet set, which includes a water pitcher resting inside its basin on top, along with a secondary shaving or soap dish and a lidded container on the tier below. Circa 1840
