Description

A superb quality 19th Century Flemish oak box settle that is very well carved, the back having three carved panels depicting tavern scenes, the top of the back having two carved figure heads above a carved frieze, the arms carved with lions with their front paws on a ball, the seat with a hinged lift up lid to reveal storage space, the front of the settle having two carved panels incorporating lion mask heads, profusely carved all over and the carvings are of very good quality. Circa 1880.
