Description

A large 18th Century oak dresser having a nice figured top above a combination of six large graduated drawers with crossbanding on the drawer fronts, three either side, with brass plate handles and escutcheons, a central cupboard door with a fielded panel opening to reveal a large compartment space, the door having a workable lock, with a single drawer above with an oval brass plate handle, four decorative quarter columns located at either sides of the drawers, raised on bracket feet. Circa 1790.
