Description

19th Century burr walnut games / work table, the burr walnut moulded edge top folding over to reveal a green baize playing area, with a drawer below and two pull out slides, one slide that pulls out which has a draught and chess board and the other a backgammon board, below these you have a work basket, supported on two turned and carved columns united by a turned and carved stretcher, the columns end with carved cabriole legs with white china castors. A lovely quality and practical piece of Victorian furniture. Circa 1860.
