## Description

19th Century French mahogany and marble top centre / occasional table in the manor of Francois Linke (1855 – 1946) having the original inset rouge marble top, with a single oak lined frieze drawer below with a decorative brass plaque with cherubs playing musical instruments, panels either side with brass swags, the reverse of the desk in the same style as the front, the sides of the table decorated with further brass swags, each corner

having brass patraes, supported on square tapering legs with brass mounts terminating on decorative brass feet. Circa 1890.
