Description

A good quality mid 20th Century teak davenport, the top structure having two panelled hinged doors opening to reveal various compartments, the desk section having a panelled hinged door opening to reveal an arrangement of four graduated drawers with the original brass recessed handles, two pull out writing slides on either side with a green leather writing surface decorated with blind and gilt tooling, a concealed pull out out pen drawer to the side complete with a pen tray, the fall front having a green inset tooled leather which

lifts up to reveal a storage well and two small drawers and a dummy single drawer below, the desk panelled on each side and raised upon turned feet. Circa 1960.
