Description

A lovely quality early 19th Century Anglo-Indian carved padauk partners desk, having a nice figured top with an ornate carved border and gadrooned edge, a selection of eight graduated drawers below with the original carved wooden knob handles and having carved floral decoration on the drawer fronts, with a decorative caved central arch, the reverse of the desk in the same style as the front but having a drawers on either side

with a cupboard below, the sides of the desk profusely carved in the same style as the front and back of the desk, raised on carved turned feet. Circa 1840.
